

Bruce A. Bollinger, M.D.

SPECIALTY: Arthroscopy, Custom Joint Replacement of the Knee and Hip, General Orthopaedics, Lumbar Spine Surgery, Surgery for Peripheral Neuropathy and Total Joint Replacements.

EDUCATION: Undergraduate and Medical School, St. Louis University; Orthopaedic Residency, Washington University/Barnes Hospital.

PROFESSIONAL MEMBERSHIPS: American Medical Association, Texas Medical Association, Texas Orthopaedic Association, Tarrant County Medical Society, Southern Medical Association, Southern Orthopaedic Association, American Academy of Orthopaedic Surgeons, American Association of Lower Extremity Peripheral Nerve Surgeons.

GREATEST ACHIEVEMENTS: Bollinger feels his greatest personal achievements are being a husband and father. His greatest professional achievement is becoming chief of staff at Baylor Surgical Hospital at Fort Worth. **INNOVATIONS:** His practice provides custom knee

replacements based on pre-op CT scans of the knee to make patient specific replacements, thereby allowing replacements for younger patients. He also provides surgical management for Peripheral Neuropathy of the lower extremities.

IN THE COMMUNITY: Bollinger is pleased to support the arts in North Central Texas, in particular, Texas Ballet Theater, which performs at Bass Hall in Fort Worth and the AT&T Performing Arts Center Margot & Bill Winspear Opera House in Dallas. **FREE ADVICE:** "Never be afraid to seek a second opinion." **WHAT SETS HIM APART:** "I try to discuss all options available with my patients so they can make a well informed decision about their treatment."
